PEACE OF MIND AND SECURITY FOR YOUR FAMILY

- Service plans are effective for one year and will be renewed automatically, unless cancelled in writing. Service Plans are non-refundable. Plans are transferable to a new homeowner; some restrictions apply. Re-inspection and approval may be required for renewal.
- Service plans apply to 1 oil-fired unit up to 3 GPH. Please see Extended Offers. York Oil technician must perform all work.
- All heating units must be inspected and approved for coverage. Special or obsolete equipment may not be approved for coverage. Service Plans become effective upon inspection, repair of any pre-existing conditions at the customers expense, approval and payment.
- An emergency is defined as no-heat, or any condition threatening harm to people or property.
- Service Plans are only available to customers on automatic delivery. Purchase of heating oil or service from and other source will void this coverage.
- The following are not covered under this plan: units in crawl spaces under 40"; fuel lines; pipes; fuel storage tanks; hot water coils or other forced hot water components; replacement of furnace/boiler/hot water heater; direct vents; damages caused by fire/flood/natural or man-made disasters; thawing of outside fuel tank; or repeat service calls for a condition of which the customer has been advised corrective action is required, including dirty fuel storage tanks.
- \$50.00 Service Call Fee will be charged on all missed appointments, not canceled 48 hours in advance
